

Laura Graeber

IT Consultant
Bayer U.S. LLC

Laura Graeber is an IT Consultant for Bayer U.S. LLC. She is responsible for Investment Management and Project Systems processes across the global system architecture. Laura has been very active in the inclusion and diversity initiatives at Bayer over the last 3+ years. She has established a Pittsburgh branch of the Business Resource Group Family Connections, promoting Bayer's commitment to an inclusive work life environment by enhancing efforts to ensure contributions at work are balanced with the employee's fulfillment of personal needs and family responsibilities. Laura is currently the Family Connections National Events Chair supporting seven locations and one field branch across the U.S.

Laura was born and raised in Pittsburgh. She spent four years working abroad in Cologne, Germany but when relocating back to the U.S. decided to once again call Pittsburgh home. She holds a BSBA in Finance from Robert Morris University and a MS in Accounting from Duquesne University. Laura has joined the Next Generation Council to contribute to the inclusion and diversity topics of the Pittsburgh area.
