**PITTSBURGH, PA:** Vibrant Pittsburgh and the Diversity & Inclusion Forum announce the launch of their *Diversity Best Practices Survey*. Launched on May 15, participation in the survey is available, and highly encouraged, for all Pittsburgh area organizations, companies and institutions of all sizes, sectors and industries. The survey will remain active through July 14, 2017 and responses will be compiled and categorized.

Upon completion, a catalogue of selected Best Practices will be published in the fall. “The survey will assist our region with attracting, engaging, retaining and advancing our diverse talent,” said Melanie Harrington, President and CEO of Vibrant Pittsburgh. “It can also assist local companies and/or organizations with their on-boarding process as well.”
