- Executive leaders new to a member organization
- Transitioning into an executive role at a member organization
- Recently relocated executive leaders looking to establish roots

HOSTING OPPORTUNITIES FOR MEANINGFUL EXECUTIVE ENGAGEMENT

Blending professional, social, and personal engagement, Welcome H.O.M.E.E. (*Hosting Opportunities for Meaningful Executive Engagement*) fosters a sense of belonging that retains top executive talent in the region. Whether through intimate gatherings, immersive city experiences, or tailored family support, this program ensures that executives feel both welcomed and invested in their community.

PARTICIPANTS WILL ENGAGE IN:

Building meaningful professional and personal connections

Integrating into the unique communities in Pittsburgh

Ultimately seeing Pittsburgh as the place to build their future

THREE PILLARS OF ENGAGEMENT

Welcome H.O.M.E.E. focuses on three key areas to encourage executives to plant roots in the Pittsburgh region:

PROFESSIONAL NETWORKING
Curated opportunities to connect with peers across industries in informal yet impactful ways.

- Intimate industry dinners and roundtables
- Exclusive networking receptions with top regional leaders
- Executive-led discussions on leadership, business, and innovation

- Family-friendly programs and community integration
- Spousal and partner networking opportunities
- Referral to resources and organizations for childcare, education, wellness, and other necessities

PERSONAL & FAMILY WELLBEING
Resources and support to help executives and their families grow roots in the region.

SOCIAL ENGAGEMENT
Memorable experiences connecting executives to the vibrancy of Pittsburgh.

- Cultural and arts experiences
- Sporting events and outdoor activities
- Unique local experiences
