A PROGRAM OF  
**vibrant** PITTSBURGH

## FORGING THE BURGH'S NEXT ERA OF TALENT

**WHO SHOULD JOIN?** This collaborative is designed for employees of Vibrant Pittsburgh members, who are:

- New to a member organization
- Transitioning into leadership or a new professional role
- Recently relocated to Pittsburgh and looking to establish roots
- Seeking growth, connection, and to shape their future in the region

## ENGAGING INCLUSIVE LEADERS

The Future-Forward Collaborative is designed to support professionals navigating new career and regional landscapes. Rather than centering discussions on why young professionals should stay in Pittsburgh, the Future-Forward Collaborative creates a space for all emerging professionals to explore how they can establish roots, discover opportunities, and shape their future in the region.

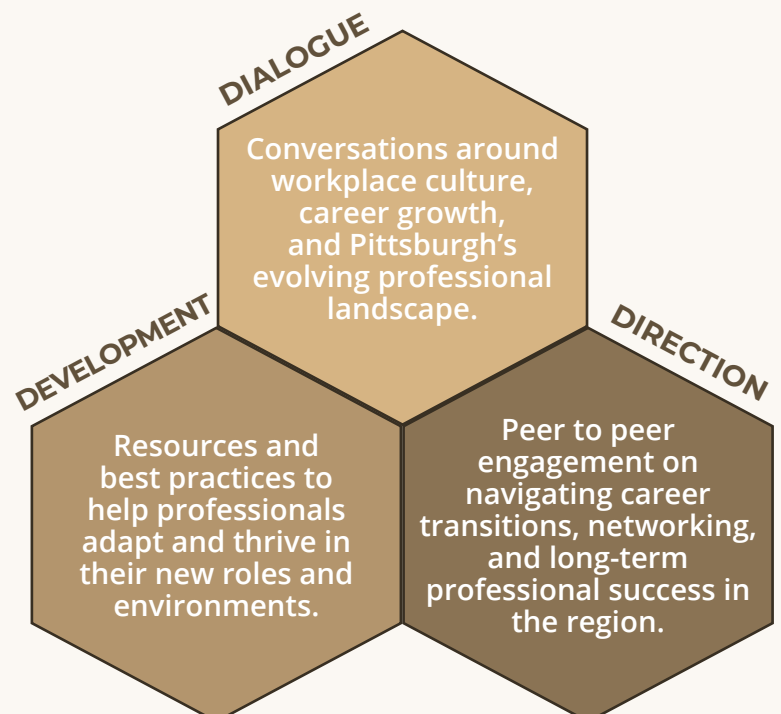

At its core, this collaborative will support participants and member organizations:

**BROADEN INCLUSION:** Moving beyond generational boundaries welcoming all professionals in transition, including those shifting industries, relocating, or entering new leadership roles.

**EMPOWER PROFESSIONALS:** Shift from a “why should you stay?” approach to a “how can you build your future here?” mindset.

## OUR FOCUS ON THE 3 D's
